

The Big What if:

MY DOG DOES NOT FEEL WELL ON CLASS NIGHT.

Do not bring the dog if he is ill. Try to come yourself so you can observe the class.

THERE IS A HARD RAIN OR THUNDERSTORM.

Your instructor or the Recreation Department will call you if class is cancelled for any reason. If a class is cancelled for weather related problems, it will be made up. If in doubt, call your instructor.

IS THERE HOMEWORK?

You will be expected to work your dog for five to ten minutes, once or twice a day, each day between classes. Each class will be a new learning experience, so you will need to practice all the exercises you have learned.

WILL MY DOG GRADUATE?

Yes. You must attend five of the seven classes in order to graduate. Your dog will receive a certificate when he finishes the seven-week course. NO CERTIFICATES WILL BE MAILED.

I STILL HAVE QUESTIONS BEFORE CLASSES START?
